Returns Form for Goods Returned Within 30 Days

Important Information

Your returns number must be clearly visible on the outside of your protective packaging; your parcel **WILL** be rejected by our warehouse staff if this is not done, we suggest folding this returns form which will allow you to place it in a plastic wallet or similar product, your returns number and our address will then be clearly shown. You must obtain a Returns Number before returning this form along with your unwanted goods. Without a Returns Number your refund will NOT be processed and parcel rejected. In order for a return item(s) to be processed all sections in white must be completed in full. In order to qualify for refund goods must be returned unused, in good re-saleable condition, including all original, undamaged packaging. Bella Bathrooms reserves the right to refuse any refund if returned goods do not meet the above conditions. We recommend you return item(s) using an insured delivery service. **Items received in a non re-saleable condition will not be eligible for a refund, credit or exchange without exception.**
